

DO MINISTRY **WITH** YOUTH INSTEAD OF **FOR** YOUTH

Reign Ministries exists to train and coach youth leaders, to become disciplemakers and to lead disciple making ministries. Operating in Scotland and throughout the UK, Reign Ministries is excited to partner with YouthHOPE to deliver some practical and helpful training for churches that are finding it hard to deliver quality youth ministry.

Join members of YouthHOPE for an inspiring youth ministry workshop where we'll examine the transformative potential of youth empowerment. Gone are the days of viewing youth solely as the future of the church; instead, recognize them as dynamic agents of change in the present moment. In this session, we'll explore how empowering youth not only enriches their lives but also strengthens the entire body of Christ.

Empowerment equips young people with the tools and confidence to lead effectively, to positively influence their culture, and to step into the fullness of God's plan for their lives. Through practical insights and engaging discussions, participants will discover the profound impact of applying a "with, not for" approach to their youth ministry.

Prepare to be challenged, inspired, and equipped to champion the empowerment of youth in your local church. Together, let's unleash the potential of the next generation.
