## Get ready for Christian Aid Week

Churches and supporters across Scotland raised over £780,000 for Christian Aid Week 2025 - thank you! Whether you held an event, took on a sponsored challenge, or organised a sale, your efforts are appreciated. Christian Aid Week is 7 days to make a difference, and you went above and beyond!

This Christian Aid Week, we're raising funds for our global work, and sharing stories from our partners in Kenya. Many of us find joy and purpose in tending our gardens. In Kenya, Christian Aid's partner Beacon of Hope is supporting people to use even small spaces to grow food. Hardship often leads to hunger, but for urban farmers like Fridah, gardens grow hope!

## Christian Aid Week resources

Whether you are holding an event, a sale or a service, we have resources to help!

We hope that you will use our prayers and sermon notes in a worship service, or invite a Christian Aid speaker to share about our work.

The popular Christian Aid Scotland Quiz is back for another year. If you would like a digital copy, please get in touch. You can use the quiz to host an event, or print off copies to sell for a donation. Answers will be available online after Christian Aid Week, unless requested earlier.

As churches and groups move away from House to House fundraising, sales of all sorts are gaining popularity! Let us know if you'd like to try holding a book, plant or craft sale, or something more creative. We can provide ideas, answer questions, and help you think through all the details.

We also have posters, envelopes and other materials to support your fundraising efforts. Ordering online ([caid.org.uk](http://caid.org.uk)) reduces our administrative costs. If you aren't able to order online, please give us a ring or use the included paper order form.

We are so grateful for you - our supporters, Christian Aid groups and churches across Scotland. If we can support your efforts in any way, please let us know.

Christian Aid has now moved to Lloyds bank. If you need the details or treasury materials, do get in touch. Please note that you can use our Lloyds giros at Bank of Scotland branches to pay directly into Christian Aid's account.

## A Just Peace: films and resources

Christian Aid presents three new films to help you start a conversation within your church and inspire action for a just peace in Israel and the occupied Palestinian territory. These new resources, featuring the voices of Palestinians and UK Christians, can be used flexibly in services or discussion events.

Find them at [caid.org.uk/justpeace](http://caid.org.uk/justpeace)

Please do also join us on the 24th of each month from 7-8pm online to pray for the Middle East. Each month we hear directly from someone in the region, and also share a prayer liturgy.

## Scottish Government funding

We are grateful for our most recent Humanitarian Emergencies Funding (HEF) grant from the Scottish Government. This grant has enabled our partners in South Sudan to scale up the support they are giving to returnees and refugees who are fleeing the conflict in Sudan. Cash grants enable people in displacement camps to buy what they need, allow children to go to school, people to get back to livelihood activities, as well as ensuring that local markets and the people who rely on them are supported.

## Kiltwalk 2026

Are you looking for a new challenge this year? Does the thought of fresh air, tartan, a good walk and supporting Christian Aid excite you? Then why not take part in a Kiltwalk in Glasgow, Edinburgh, Dundee or Aberdeen.

When you walk for Christian Aid you'll receive a free T-shirt, one to one support with your fundraising as well as the opportunity to walk with like-minded supporters.

Glasgow Kiltwalkers from Alloway Parish Church at the finish line with the Christian Aid 80th Anniversary Baton.

If Kiltwalk isn't the right fit for you and you'd like to organise your own sponsored walk locally, please let us know and we can provide ideas and support.
